TROJAN

ELITE T BAR HANDLE

The stunning Elite stainless steel T Bar Handle suites perfectly with other products in the Trojan Stainless Steel range. Offering an upmarket, contemporary handle the T Bar Handle is manufactured in 316 stainless steel and delivers outstanding product performance. Supplied as in-line or cranked versions, both with back to back fixing or bolt through fixing, the T Bar comes with the Trojan 25 year anti-corrosion guarantee.

- Manufactured in 316 stainless steel
- Suites with other Trojan stainless steel furniture for a totally coordinated, modern door suite
- Produced from 1.2mm thickness material
- In-line peg version or cranked peg version available
- Fixing variations - back to back fixing version (one pull handle each side of the door) and or bolt fix version (one pull handle one side only with cover caps on the opposite side of the door)
- Fixing pegs supplied with a machined brass insert as standard. M8 bolt has the option of a clear washer to protect the door face
- Bolt fix and back to back fixing methods as per illustration shown overleaf
