

Yale Encloser

Exceptionally secure thanks to its bi-directional locking cams, the Yale Encloser is a Secured-by-Design product suitable for all PVC-u window systems and sash sizes, from 270mm to 1400mm.

The fast-fitting locking solution requires absolutely no cropping and allows for quick and simple compression adjustment. The Encloser window lock is available in 7 models with 2, 4 and 8 mushrooms.

Features and Specifications:
