

A front door is a focal point of most properties and the hardware should reflect this. The Unicorn Letterplate has been designed very much with aesthetics in mind with its simple but elegant styling, designed to complement any door and suited finishes with other Trojan door furniture. The construction is unique with pressed metal flaps that shroud the surround from view.

## Unicorn Letterplate

Product Code 0790

- A unique and elegant design with minimal plastic surround.
- Letter flaps are made from 304 stainless steel for ultimate corrosion resistance. (Galvanised mild steel for painted finishes).
- Flaps open to 180 degrees, eliminating any excess leverage on pivot points.
- Stainless steel return spring to ensure a continuous positive return action.
- External flap has a complete peripheral seal that also forms a full thermal and acoustic barrier.
- Cycle tested to 100,000 operations.
- Detachable clamping screw boss for alternative direct face fixing to panel.
- 40 - 40 and 20 - 20 configuration available to suit doors from 20mm up to 70mm thick.
- Available in a full choice of finishes to suite with the Sparta door handle, including Polished, Brushed and Satin Stainless, PVD Gold, Black and White.
- Guarantee\* - 25 years corrosion and 10 years mechanical.
