

ATHENA HINGE (COMPOSITE)

The heavy duty Athena Hinge is suitable for Composite Doors. The patented Athena Hinge's strength comes from its double knuckle construction. Three Athena Door hinges have a combined carrying weight of 100kg, making them perfect for heavy duty applications such as large or triple glazed Composite Doors. The slim sightline Athena Hinge offers a slim aesthetically pleasing design with an unobtrusive appearance.

Product Code
0713 – 2003
